ONE WAY PARTS COMPANY

 Bus. Ph. (612) 482-9131

Dear Freeway Owner,

If by now you do not know, we are sorry to inform you that High Mileage Vehicles is now out of business. This leaves almost 700 stranded owners.

Two former employees have formed a company called ONE WAY PARTS CO. for the purpose of providing parts for the Freeway vehicles. We would like to provide this service for you, so you will still be able to keep your vehicle maintained and on the road for many miles to come. We have contacted the manufacturers that previously supplied H-M-V. We will be supplying components specifically designed for the Freeway commuter vehicle.

We are not in any way a part of or associated with the firm H-M-Vehicles. Previous offers, deposits, or credits due from the company H-M-Vehicles cannot be honored. One Way Parts Co. assumes no responsibility of H-M-Vehicles.

One Way Parts Co. is a mail order operation. Orders may be placed by phone or by letter. You will receive your order within 3 to 4 days after notification beginning August 2, 1982. We will mail all orders via United Parcel Service with terms COD; no checks please.

We hope this current parts list will take care of your major needs at the present. We are currently working on obtaining other components so we may extend our parts service for your Freeway.

Sincerely,
 Jerry R. Kraft
 Cory J. Lange

I want to thank you all for your business in the past and I am very much saddened that I have had to close down this service. I wish I could have kept it up for you all, but I am thankful for the chance to serve you in this way. I am thankful for the many people who are now friends because our lives touched through this service. This has been quite an interesting experience and adventure for me taking on a small business. I've also learned to really appreciate working for someone else!
Well, I think that is it. May God bless you and if I may see a blessing from a letter of a fellow freeway owner; Goodby, and may our highways be blessed with a third wear track.

Jerry
